

Water and Energy Summit 2010 Sponsorship Packages

When you sponsor the Water and Energy Summit, you'll raise your visibility among the renewable energy professionals attending the Summit, as well as the hundreds of motivated consumers at the Expo and the thousands more who will see your logo in our advertising. See below for the numerous ways sponsorship enables you to promote your brand and messaging.

All sponsorships include these basic benefits:

- Company logo on the Water and Energy Summit & Expo web page and link to your website
- Recognition in the Water and Energy Summit & Expo Official Conference Program on the Sponsor page
- Company marketing materials inserted into registrant packet
- Company name by sponsored activity in the Official Conference Program
- Company logo will be displayed in all session rooms and on signage during the conference

Additional benefits based on level of sponsorships are listed under each sponsorship level below.
